**CALL FOR NOMINATIONS  
TO THE  
BOARD OF DIRECTORS**

The Canadian Register of Health Service Psychologists invites nominations for one Registrant member and one Public member of the Board of Directors.

Background

The governance of the Canadian Register of Health Service Psychologists (CRHSP) is based on an 'Excellence' model. Its advantages are a smaller, strategically oriented Board of Directors with Directors chosen to enable achievement and development of strategic priorities. Registrants may now be nominated to the Board without having to be the nominee of a provincial / territorial association or regulatory body. There is also a provision for Public members of the Board.

Information that may be helpful to prospective nominators and nominees are the following features:

1. Broad authority is allocated to a Board of Directors (B/D) that is ultimately accountable to the Members through the Annual General Meeting (AGM). The B/D is composed of five Registrant members and two Public members, plus the Executive Director in an ex officio non-voting capacity. The Officers are the President, Vice-President, Secretary-Treasurer, and Executive Director. A Public Representative may hold the position of Secretary-Treasurer. Other Officers shall be Registrants. The Officers, save the Executive Director whose appointment is contractual, shall be elected annually by and from among the members of the B/D.
2. Ordinary Members shall be convened to an Annual General Meeting (AGM). At the AGM, those present will vote on the final slates for any open seats on the B/D.
3. The current members of the Board and their respective terms are:
  - Dr. Gordon Butler, Registrant (2015-2018)
  - Dr. Paul Greenman, Registrant (2017-2020)
  - Dr. Jenny Keller, Registrant (2015-2018)
  - Mr. Mark Lawrence, Public Representative (2016-2019)
  - Ms. Susan Nicholson, Public Representative (2017-2020)
  - Dr. David Pilon, Registrant (2016-2019)
  - Dr. Karen Todd, Registrant (2016-2019)

Mission and Objectives

In considering nominations, it will be helpful to keep in mind that the Canadian Register is a non-profit corporation that (1) identifies health service psychologists who meet prescribed educational and training requirements; (2) publishes and disseminates a register of health service psychologists to assist health service organizations, third party payers, and the general public; (3) promotes and protects the public's access to qualified health service psychologists; (4) conducts

periodic research; (5) develops and offers continuing education; (6) maintains relationships with other provincial / territorial, national, and international psychological organizations to advance common goals.

3. The deadline for receipt of nominations and all supporting materials is **March 15th, 2018**.
4. Electronic submissions are strongly encouraged. These should be sent to [info@crhsp.ca](mailto:info@crhsp.ca) with the word Nomination in the Subject line.

or by fax to 819 771 1444 Review of Nominations, Creation of Slates and the 2018 Elections

1. The Bylaws provide for a Nominating Committee. It will conduct an initial review of all nominations and submit a report to the Board. The whole Board will receive information on all nominations submitted and decide on a slate for each position.

2. As prescribed by the new Bylaws, the slates proposed by the Board will be sent to all Ordinary Members. It is expected that this will occur in late March, 2018. Five Ordinary Members may then make further nominations by April 15th. Any such additional nominations will be included on the final slate(s) to be voted at the 2018 AGM (subject to the nominee being a Registrant). Members are strongly encouraged to submit nominations they may wish to make by the March 15th deadline for the initial Call for Nominations.

3. All candidates for each slate may submit a 350 word statement on their interest in serving on the Board, as well as describing their relevant experience and expertise. These statements will be included with the slates to be sent to Members in advance of the AGM.

Recognizing that not all candidates may be present at the AGM, a Rule was adopted whereby there may be no speeches by or on behalf of any candidate, during the conduct of the elections.

4. The federal legislation through which the Canadian Register received its Letters Patent and under which it is regulated as a non-profit corporation stipulates that the Board of Directors must be elected by the Members. Therefore, the 2018 elections will be conducted as part of the 2018 AGM.
